SHAIKH WASIK ALLI

PROGRAMMER

Mobile: 7504210525
Email: skwasikalli98@gmail.com
Location: Bhubaneswar, INDIA
Experience: 5 Years of experience

PROFILE SUMMARY

Full-Stack Software Engineer with 5 years of experience in Angular, PHP (Laravel), and MySQL, skilled in building scalable single-page applications and designing REST API services. Proven ability to optimize database performance and ensure reliability for high-traffic systems. Significant contributor to the Odisha State Scholarship Portal, focusing on performance, accessibility and large-scale data handling. Proficient in TypeScript, JavaScript, RxJS, Redis, unit testing and Agile workflows. Seeking opportunities with visa sponsorship to leverage technical expertise in growth-oriented environments.

KEY SKILLS

Angular | TypeScript | JavaScript | HTML | CSS | RxJS | PHP | Laravel | Lumen | REST APIs | MySQL | Redis | Git | Agile | Unit Testing

CERTIFICATIONS

CERTIFICATE IN COMPUTER APPLICATION

WORK EXPERIENCE

Programmer Sep 2021 - Present

CSM Technologies

- Led development of enterprise web applications using Angular for front-end and Laravel for backend, managing the full software lifecycle from requirement analysis to deployment.
- Designed and implemented scalable REST APIs and improved application performance and data handling for high-traffic modules.
- Contributed to the development and enhancement of the *Odisha State Scholarship Portal*, supporting large-scale scholarship processing and improving accessibility for students.
- Performed debugging, unit testing and database optimization using MySQL and Redis, ensuring reliability and performance.

PROJECTS

Odisha State Scholarship Portal 24 Months

- Developed modules using **Angular** and **Laravel** to support large-scale scholarship processing for the State Government.
- Improved data handling and application performance to support high traffic and reliable operations.
